

Social Studies Standard Articulated by Grade Level

Document Updates

May 22, 2006

The Social Studies Standard Articulated by Grade Level document was updated to correct editing errors and refine wording per State Board directive of September 26, 2005. Minor revisions to wording have been made throughout the document. In some instances, Performance Objectives have been moved, deleted, or added. The updated document contains current information and should replace any prior versions.

The following performance objectives from the September 26 document were added, moved, deleted, or had significant change in wording as a result of this update.
